Misa 2

みそ×みそ2

※So the title is Misa x Misa 2, but there's no real connection with my previous work. It's just another story where Mikoto and Misaki-san butt heads, like in M x M 1.

I'm so sorry, Misaka-san.
Kamijou-san and I are in a relationship now.

So can you please stop following Kamijou-san around?

WAiT-!

RUSTLE

Haah

A dream ...?

Hah

Hah

.....

What kind of a dream was that anyway?

So ominous...

And besides...

Its the weekend, maybe I'll go shopping for a change.

Nnn

Maybe I'll...

Ah-

I sometimes meet him around here...

GLANCE

GLANCE

Eh...?

Why are they here together...?

Wait... why...?

……

!

AH!

Hey
...too
close...

Close

nya!?

!?

Eh?

Hey...

Can you
hold still for
a minute?

POKE

Swish

What
are
they
doing...?

Eh...?

Wait...

That dream I had this morning...

Ngh...

Uh...

HEY!

WHAT D'YOU THINK YOU'RE DOING--!!

What if...

that dream has come true?

That's it! Nothing actually happened--

Eep!

Even that ki-... just now!

I must've mis-under-stood!

SHAKE

SHAKE

Nonono, it can't be.

DASH

HUH!?

GONE

GLANCE

GLANCE

I lost them...

……

So what were they up to yesterday...?

Next day

It's not like anything happened.

...okay, go!

I'll just casually ask because I'm curious.

Yeah

H...

hey!

Oh my...

You girls wait over there~

BEEP

How unusual of Misaka-san to approach me first.

She took more time than I thought...

So...

You were with him yesterday...

what can I do for you?

.....

What...

were you doing?

My~

W-what's with that reaction?

my~?
☆

My,

my,

Oh, nothing.

LiAR! YOU KNOW PERFECTLY WELL!

I have no idea what you're talking about~

Besides, who's "him"?

ARGH, FINE!

Who is this "idiot" you speak of?

I'M TALKING ABOUT HIM! THAT IDIOT!

You can't expect me to understand vague hints like that, we're not a married couple~

I SAW YOU WITH HIM YESTERDAY, I'M ASKING WHAT YOU WERE DOING!

I'M TALKING ABOUT KAMIJOU TOUMA!

Well, I can tell you what we did...

But!

Hmph

Oh my~ to think Misaka-san was watching...

Hmm...

it might be a little too graphic.

LICK

WHAT!?

For an innocent girl like Misaka-san,

w-
with
him...!?

Wh-
what
did you
do...

y-y-
you...!

It's not
something
you share
with people
anyway.

I won't
even deign
that with a
response.
☆

Good
luck~

wave

!!

wave

If you really
want to know,
why not ask
Kamijou-san?

I'm sure
he'll fill you
in nicely.

Swish

But...

.....

There's no way I can ask...

Hm?

Hn-

hmm~?

Yo, Misaka.

...!

You don't look very happy.

...hey, what's the matter?

.....

But...

I...

I wanted to ask you some-thing!

CLENCH

Ah.

?

...never mind.

That reminds me.

You know Shokuhou, right?

She wanted me to pass you a message.

!

Wait...

hold it!

Hold on...

a sec...

Oh... so that's how it is...

Eh?
Um, she said...
...all right.
It's the most hurtful way to break the news...
Shokuhou wanted me to hear it from him.
...huh?
So that dream came...
"This was fun, let's play again."
That's all.
Were you two playing some-thing?
.....
That's what she said.
Eh...?
Shokuhou told you to tell me that?

Too close!

Well, yeah.

We just met and chatted for a bit, then she suddenly leaned closer and whispered that message for you.

Can you pass a message on to Misaka-san?

?

You were with Shokuhou yesterday. Did you run into each other?

YOU'VE DONE iT NOW, SHOKUHOU MiSAKi...!!

What are you getting mad for all of a sudden!?

CRACKLE

ZAP

Were you nearby that time, Misaka?

Fu, fu, fu...

I see... so that's what it was...

skip

It might become a habit ♡

Teasing Misaka-san is so fun~
